5. Against this back ground, the AFRC met on 02-03-2015 and heard the submissions made by the representatives of the colleges. After considering the material placed before it as well as the submissions made by the institution during the personal hearing the report/working sheets of the consultants, and the norms adopted by committee for the evaluation, the Committee has passed the following resolution:

"Because the said course could not be run for 1 year, the JNTUA had given the affiliation last year and the institution now desires to have fee structure, the proposal is to be taken as one for a new course and the minimum fee of Rs. 31,000/- which has been given to similarly placed institutions is determined for the college for the block period 2013-14 to 2015-16."

6. The AFRC has also resolved to fix amounts under various heads for the academic year 2013-14 to 2015-16 towards special fee as specified below:
